

Dream Homes in Bishop Norton...

Advocate Homes is proud to present a selection of high quality homes in the peaceful village of Bishop Norton.

Bishop Norton nestles in the Lincolnshire countryside some 10 miles west of Market Rasen and 13 miles east of Gainsborough. Its location provides excellent commuter access to all major towns and cities in the region via the local road network, despite this Bishop Norton has managed to retain the quiet rural charm of a village steeped in history.

Bishop Norton falls within the catchment areas for high-achieving local schools.

Our exclusive development includes the construction of 25 new homes including four very individual barn conversions.

Our selection of stylish three, four and five bedroom homes exude elegance and quality with an unrivalled attention to detail.

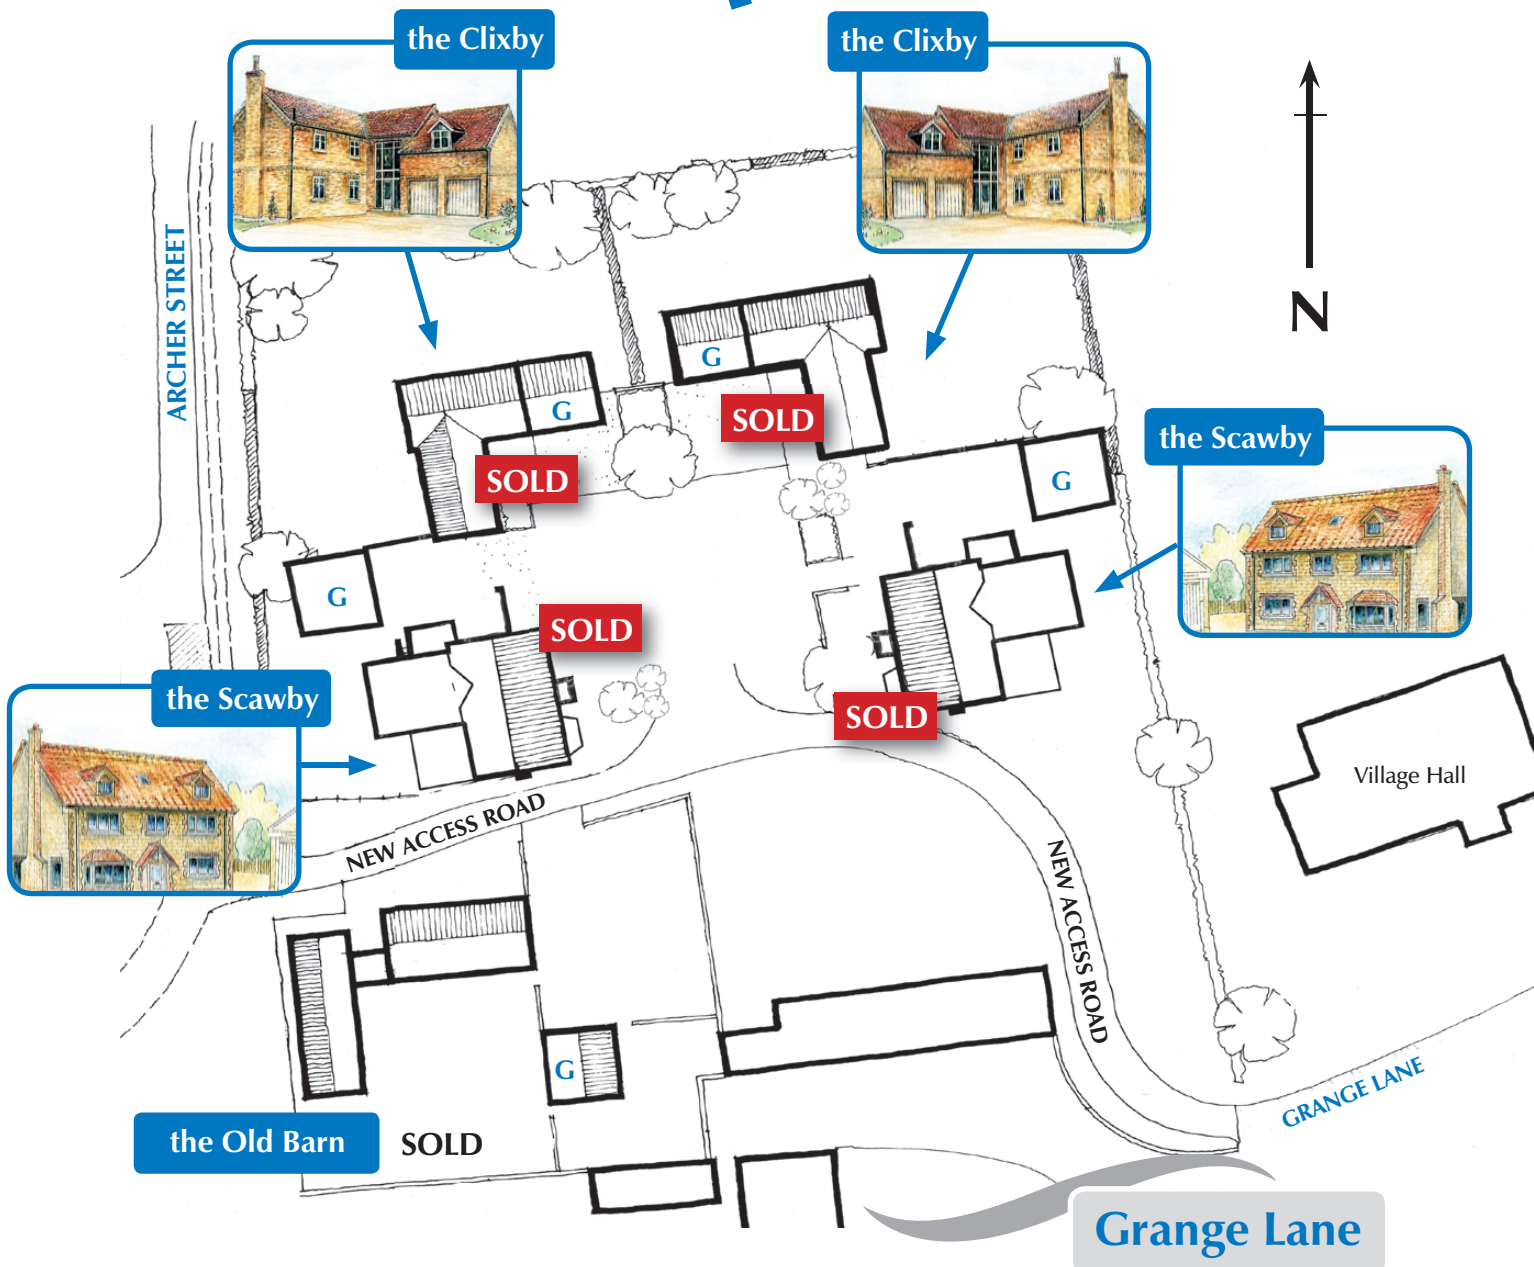

If dream homes in dream settings are for you then look no further.
